

ROWAN WALLACE

Camera Trainee

Bristol Based

Enthusiastic freelance camera trainee based in Bristol who is keen to be able to expand my knowledge within the camera department. I have experience supporting camera teams on narrative short films assisting with kit prep, lens changes, slating, and set-up and de-rig of cameras. Not only am I prepped with my own personal kit for working on jobs, but I also bring a strong work ethic, good set etiquette, and a proactive attitude to every shoot.
